

## ANITA 2021 workshop schedule

The ANITA workshop will take place on Mondays and Fridays during the weeks of February 8, 15, and 22, between noon and 2 PM AEDT.

The workshop will take place via zoom; registered participants will receive the link by e-mail.

All talk slots are 17 minutes long: 12 minutes for the talk and 5 minutes for questions + changeover. Given the tight schedule, talks must start and end on time. All times are AEDT.

Please provide feedback on talks (particularly student talks) via the google form available by clicking on the speaker's name in this schedule. Feel free to give constructive anonymised feedback to any speaker, junior or senior. Note: your feedback will not be used for determining the J-P Macquart Best Student Talk Prize, which will be awarded based on separate assessment by a panel of ANITA steering committee members to ensure uniformity.

All participants are obligated to read the ASA Code of Conduct before the meeting and to follow it throughout, including in questions and zoom chats: [https://asa.astronomy.org.au/wp-content/uploads/2020/09/ASA\\_Code\\_of\\_Conduct.pdf](https://asa.astronomy.org.au/wp-content/uploads/2020/09/ASA_Code_of_Conduct.pdf).
